## Kinder Skills nomination form

Kinder skills sessions will be organised once the general competition is up and running, it normally starts around week 2 or 3 of the comp.

Costing is still to be finalised; we will put a post out once completed.

The fee allows your child/ren to attend the skills session and the occasional minigames for 8weeks.

They will also receive a basketball at the start of the 8 weeks once payment has been received and a Zooper Dooper at the end of each session.

TBA will provide a co-ordinator for the sessions which run for about 40mins.

Please submit the below form by email to [tumutbasketball@gmail.com](mailto:tumutbasketball@gmail.com) if interested in the sessions or for more information.
